

Junior Therapist – Speech Therapy Services

About Ummeed:

Ummeed is one of India's premier non-profit organizations providing diagnostic and therapy services to children with developmental disabilities and their families. Our cross-functional team of professionals provides evidence-based, family centered care to these children and their families, based on their needs. Besides running the clinic at Lower Parel, Mumbai, Ummeed also delivers training and is involved in community and advocacy initiatives in the developmental disabilities space.

About the position:

The Speech Therapy team works with children with developmental disabilities, especially Global Developmental Delays, Down Syndrome, Cerebral Palsy, specific language impairment, hearing impairment, speech dysfluencies and their families to develop appropriate goals, meaningful to them, and accordingly implement the treatment plan.

Primary Responsibilities:

- Assessing children with speech and communication difficulties
- Developing the intervention and the home program for the child
- Documentation: Reports and treatment plans
- Assist in short-term and long-term training programs
- Assist with logistics related work for the team as and when required

Minimum Qualifications:

Bachelors or Masters in Audiology Speech & Language Pathology (BASLP or MASLP) from a reputed university.

Essentials Skills Required:

- Prior experience of working with or observing children with developmental disabilities

- Commitment to working at Ummeed (at least 2 years)
- Excellent interpersonal and communication skills
- Good computer skills
- Adherence to deadlines and appointments

Others:

Ummeed would give preference to a candidate who is interested in putting in at least 40 hours per week. Salary will be commensurate with qualifications and experience. Multiple opportunities for professional development and working with multi-disciplinary team assured.

Candidates meeting the criteria may email their updated resumes to careers@ummeed.org.
