

Junior Therapist – Occupational Therapy Services

About Ummeed:

Ummeed is one of India's premier non-profit organizations providing family-centered care to children with developmental disabilities and their families. We believe that all children with developmental disabilities can be included in society and reach their maximum potential, if given the chance. As an organization with a workforce of over 90 committed professionals, Ummeed's transdisciplinary approach works towards:

- Supporting children in overcoming their disabilities through direct clinical services and helping families in their journey towards acceptance and empowerment
- Building a cadre of trained professionals and community workers who can prevent, diagnose, and manage developmental disabilities effectively

The team at Ummeed is a diverse group of highly passionate, motivated and talented individuals.

Ummeed offers its team members opportunities to grow professionally and personally, inculcating and reflecting a strong culture of supervision and mentorship and the space for continued learning.

About the position:

The Occupational Therapy Team works with families of children with developmental disabilities to develop appropriate goals meaningful to the families and their children, and implement treatment plan for the same. The team also conducts various group based interventions for children with developmental disabilities. Additionally, the Occupational Therapy team conducts training programs for parents of children and professionals too.
